

THE IYRA CHRONICLE

Grades 1 & 2 · Bi-Monthly Learning Journey

JUNE - JULY 2026

Curiosity Is Our Compass

GRADE 1 ACADEMIC HIGHLIGHTS

Tiny Hands, Big Imaginations

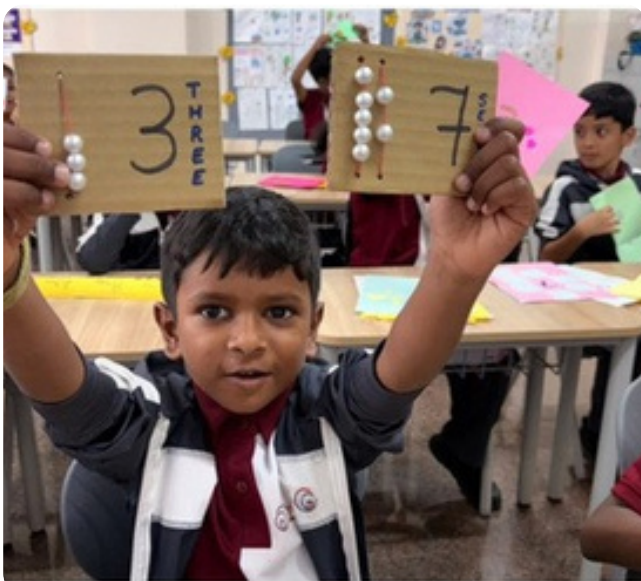

Students of Grade 1 explored the world of English through creative puppet-making. They designed and made their own family puppets, expressing their imagination while building confidence in communication and storytelling.

GRADE 1 ACADEMIC HIGHLIGHTS

Little Mathematicians At Work

Students became little mathematicians and proudly created beautiful handmade number cards. They used them for fun, hands-on activities like counting, comparing quantities, and understanding more and less. Learning becomes more meaningful when children create and use their own resources!

GRADE 1 ACADEMIC HIGHLIGHTS

Little Explorers, Big Discoveries

The young explorers of Grade 1 discovered the world of plants through a hands-on seed planting activity. They observed big and small plants, identified the parts of a plant, and learnt that every seed grows with care, patience, and love.

GRADE 1 ACADEMIC HIGHLIGHTS

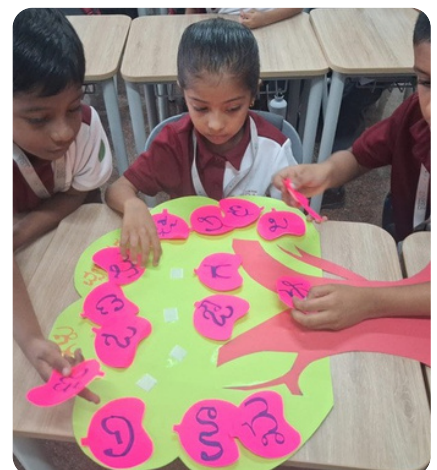

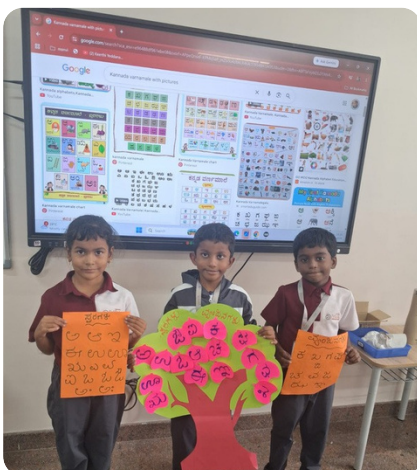

Hindi Happy Hours

The little Hindi explorers learned the correct order of Swar Varn using paper cups and confidently matched Hindi अक्षर with pictures through fun, hands-on activities. Learning became joyful, engaging, and meaningful!

Kannada Magic

The little Kannada champions enthusiastically pasted Swaragalu and Vyanjanagalu on a tree chart. This fun, hands-on activity strengthened their understanding of Kannada letters and encouraged active participation and joyful learning.

GRADE 2 ACADEMIC HIGHLIGHTS

English In Action

The Hungry Monkeys and Their Article Candies! The little learners had a fun-filled time helping the hungry monkeys munch on their article candies – ‘a’ and ‘an’. Through this playful activity, students explored articles in an engaging and hands-on way, making learning both meaningful and memorable.

GRADE 2 ACADEMIC HIGHLIGHTS

Math Made Fun!

“What did you make?” “Can you guess mine?” filled the Learning Zones with excitement! Through a multidisciplinary learning experience, Grade 2 students explored shapes, figures, surfaces, edges, and corners. Buddy learning encouraged teamwork, sharing, and discovery. A fun-filled session where curious minds learned and explored together!

GRADE 2 ACADEMIC HIGHLIGHTS

Connecting Learning With Life

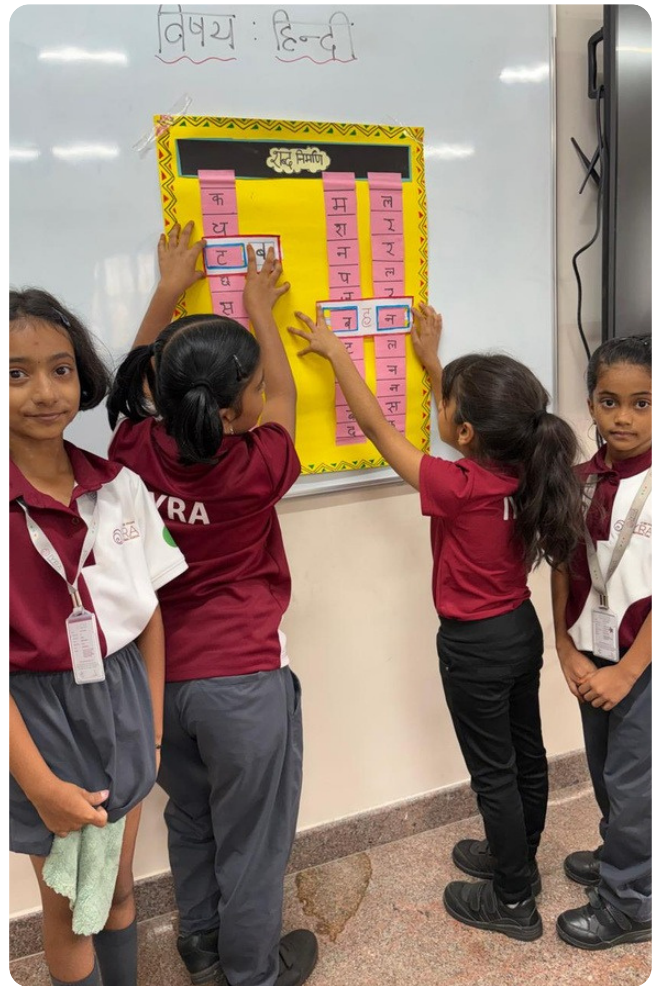

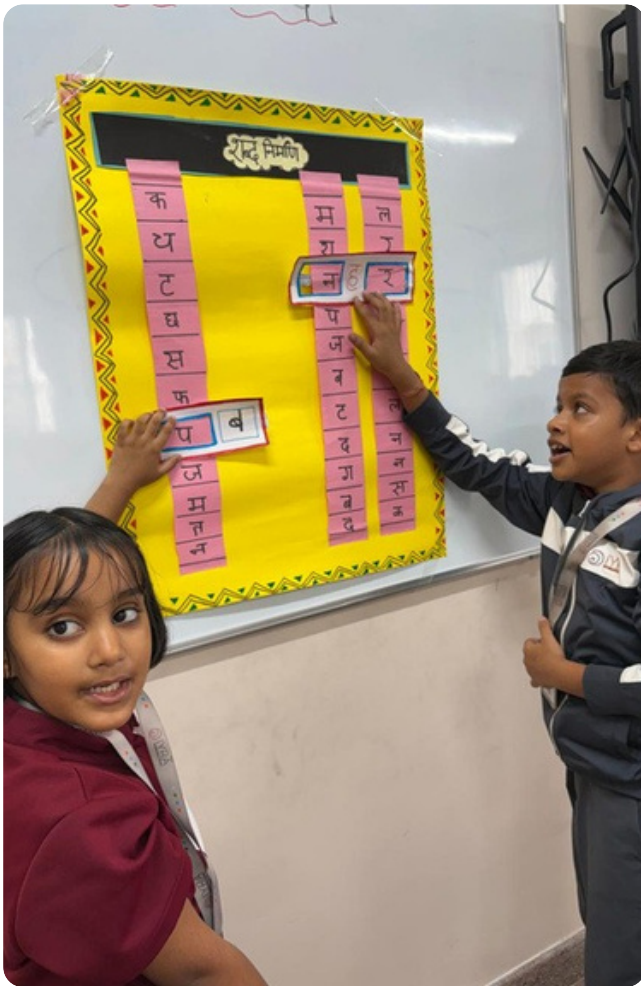

Amrithavana in the Classroom. Students of Grade II became little gardeners and nurtured coriander seeds and proudly brought their growing plants to school, learning to care for nature. They also explored mystery boxes filled with pulses, cereals, and spices, discovering their textures, smells, and unique features through hands-on learning.

GRADE 2 ACADEMIC HIGHLIGHTS

Hindi Stars

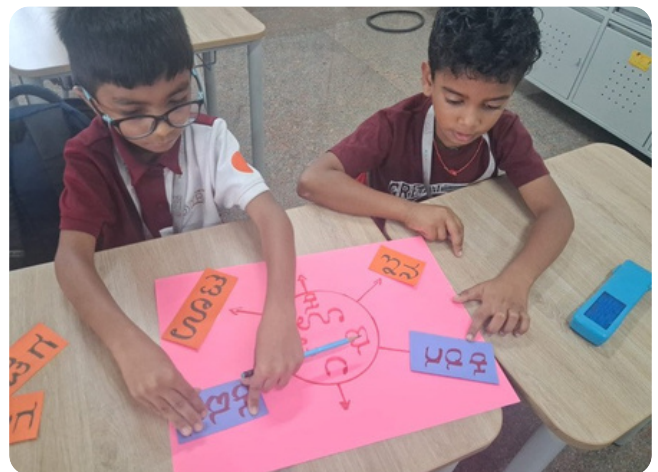

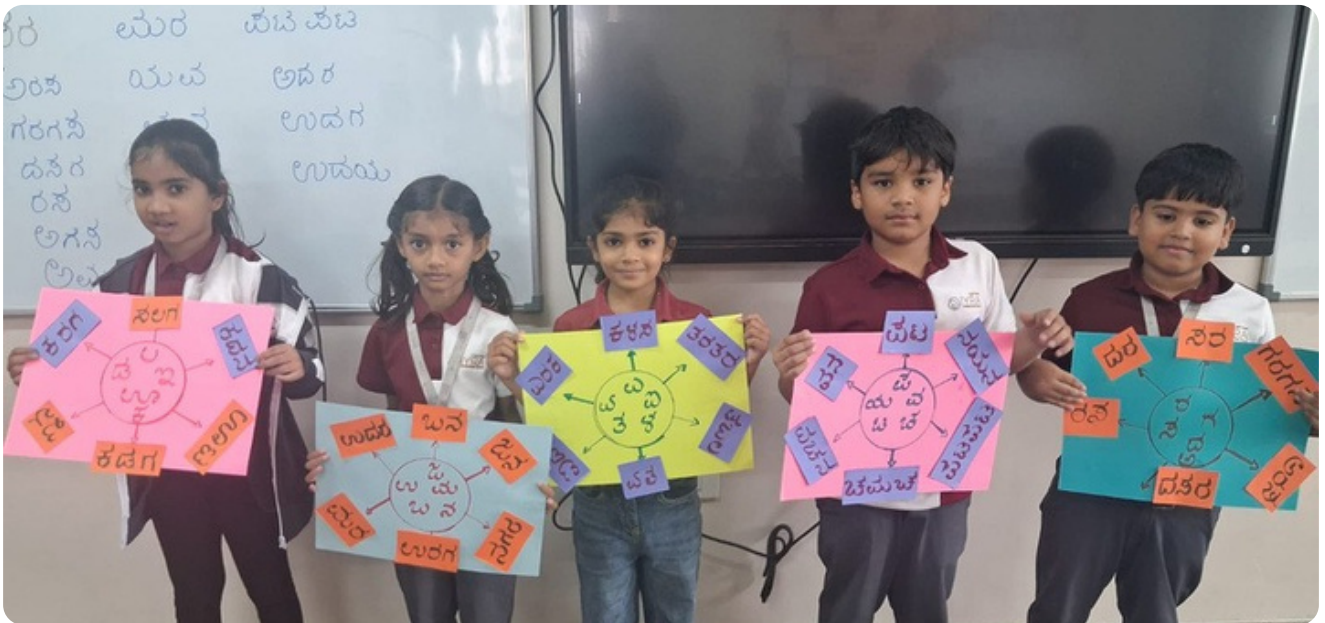

Building words, boosting confidence! The young learners enjoyed forming Hindi words through an interactive and engaging classroom activity.

GRADE 2 ACADEMIC HIGHLIGHTS

Fun With Kannada Moolaksharagalu

Students identified Kannada basic letters and matched them with the correct words, making learning fun, interactive, and meaningful while strengthening their letter recognition, vocabulary, and reading skills.

BEYOND THE CLASSROOM

Sports & Physical Education

Learning through play came alive as the little champs participated in a ball-kicking team challenge. The activity encouraged teamwork, coordination, and active participation while fostering confidence and sportsmanship.

Dancing, Singing & Learning with Joy

Students of Grade II enjoyed dancing and singing. They enthusiastically practised their Environment Day dance and sang the patriotic song "If You Love Your Country." Through graceful moves, joyful expressions, music, and actions, they celebrated love for nature, love for our country, and respect for the National Flag.

MOMENTS TO REMEMBER

Leader's Induction

Investiture Ceremony 2026–27 · 18th July 2026 · Early Years to Grade 6.

— A New Chapter of Leadership Begins —

On the 18th of July 2026, the IYRA turf transformed into a theatre of pride and promise as our youngest citizens — from Early Years to Grade 6 — were formally invested as School Council, House Captains, Prefects and Ambassadors. Amid fluttering house flags, the ceremonial lighting of the lamp, and the warm blessings of our Chairman, Directors and Principal, each young leader received their sash and badge with a solemn promise to serve with integrity, empathy and courage. It was a morning where little shoulders learned to carry big responsibility — and wore it beautifully.
